

# PIEDMONT CRAFTSMEN'S FAIR

Each November, Piedmont Craftsmen Guild stages one of the most eagerly anticipated arts events in this region, *Piedmont Craftsmen's Fair*. Our artist members travel from across the U.S. to show and sell their work to new and returning customers.

Held annually, the weekend before Thanksgiving at the Benton Convention Center, Piedmont Craftsmen's Fair is a showcase for artistry, educational demonstrations, and some of the finest crafts you will see in one place.

## INNOVATING TRADITIONS

In 1963, a small group of craft artists & craft collectors established a non-profit arts organization that quickly became one of the nation's premiere craft guilds. Representing traditional & contemporary crafts people throughout the U.S. Piedmont Craftsmen showcases emerging & established artists working across the spectrum of fine craft.
